

ABOUT UNIVERSITY BUSINESS SCHOOL

University Business School (UBS) at Panjab University has been imparting quality management education to develop dedicated, innovative and effective managers, researchers and teachers for six decades. The rechristening of the Department of Commerce and Business Management as University Business School in 1995 by the Panjab University, symbolizes the recognition of completeness and maturity of the Department as a center of management education in India. The transformation from a Department to a school has given it a distinct identity as a 'School of Thought.'

The philosophy of the management education at the UBS is built on an integrative value system. The philosophy of the school is translated into a mission of creating wholesome personality of human beings with a view to produce effective managers, researchers and teachers.

The faculty of the UBS trained in India and abroad, has earned international recognition in the industry and academia. The faculty interacts with industry through consultancy assignments, management development programs, and industry focused research and case studies. A good number of top executives from the industry in and around Chandigarh take regular classes at the school, which helps in imparting pragmatic sense to the teaching-learning process. In addition, management luminaries are invited for special lectures.
